# HARDSCRABBLE

Tom Kendall, who has been visiting the scene of the new strike in the Hardscrabble mountains, thirty-three miles northwest of Tonopah, returned last evening. Mr. Kendall thoroughly examined the strike during his stay there and took a number of pannings. every one of which showed free gold in abundance. There is about two feet of the surface that is full of rhyolite seams and both the seams and the hard formation give excellent pannings.

The camp of Richards, Poak, Malatesta and Chapman, who yesterday sent out an outfit and two miners to work on their lease, is set up and the men will start operations this morn-

## SHIPPING ORE

F. B. Smith came in yesterday from Klondyke, where he is operating a lease and reports the district in excellent condition. Mr. Smith stated that there are two cars of high grade on the siding at Klondyke Wells ready for shipment to the Utah smelters. The ore is from the leases of Kendall, Kenniston, Smith and Clark and the Main lease. All the workings are in excellent shape and every leaser is sacking ore preparatory to shipping.

F. Saville Smith came in from Manhattan last evening and leaves this morning for Goldfield.
